# Good Business

By Edgar A. Guest

If I possessed a shop or store  
I'd drive the grouches off my floor.

I'd never let some gloomy guy  
Offend the folks who come to buy.

I'd never keep a boy or clerk  
With mental toothache at his work.  
Nor let a man who draws my pay  
drive customers of mine away.

I'd treat the man who takes my time  
And spends a nickel or dime  
With courtesy, and make him feel  
That I was pleased to close the deal.

Because tomorrow, who can tell,  
He may want stuff I have to sell;  
And in that case then glad he'll be  
To spend his dollars all with me.

The reason people pass one door  
To patronize another store,

Is not because the busier place  
Has better silks or gloves or lace  
Or cheaper prices, but it lies

In pleasant words and smiling eyes;  
The only difference, I believe is  
In the treatment folks receive.

It is good business to be fair,  
To keep a bright and cheerful air  
About the place, and not to show  
Your customers how much you know.

Whatever any patron did  
I'd try to keep my temper bid, and  
Never let him spread along  
The word that I had done him wrong.
